"GENERAL CONDITIONS OF SALE" Effective
from 1st January 2022

This document contains the General Conditions of Sale that

govern all the relationships between the company Elpower s.r.l. (Vendor) and Customers (Purchasers) for any type of product and service.

6) WARRANTIES

6.1 The Vendor guarantees that its supply conforms to the specifications of the order, complies with current rules and regulations, is suitable for use, if expressly indicated and free from defects.

6.2 Unless otherwise agreed in a specific SUPPLY CONTRACT signed by both parties, the warranty on the product supplied has a duration of 24 months.

6.3 Should defects in manufacturing or materials attributable to the Vendor occur during the warranty period, it will:

- repair the device on the Vendor's premises or on site;
- replace the Product with a model having an equivalent duration of service.

In this latter case, the warranty will be transferred to the replacement Product without prolonging the original expiry date.

In no case will new certificates be issued.

The choice between the first or second remedy described will be made at the sole discretion of the Vendor.

6.4 The warranty includes the labour and material costs necessary to restore the correct operation of the Product on the Vendor's premises.

All other costs, in particular expenses related to shipping, disassembly, on-site installation, travel and accommodation for technical assistance service personnel, as well as the costs of customer employees are not covered by this warranty.

6.5 This warranty does not cover malfunctions due to the following causes:

- Failure to follow the instructions regarding use, installation and maintenance provided to the customer by the Vendor.
- Incorrect installation of the Product.
- Incorrect commissioning of the Product.
- Damage to the Product during shipping at the expense of the customer.
- Incorrect or improper use of the Product.
- Insufficient ventilation of the Product or installation in unsuitable place.
- Service or repair of the Product performed by personnel not authorized in writing by the Vendor.
- Tampering or modification and reparation of the Product not authorized in writing by the Vendor.
- Disregard for the safety rules.
- Damage resulting from other system components.
- Damage caused by third parties.
- Fortuitous event or force majeure (by way of example: lightning, surges, fire, hail, flooding, riots, etc.).
- Normal wear of the Product.

6.6 Also excluded from this warranty are malfunctions that do not affect the regular operation of the Product, like aesthetic defects or "minor defects" (for example, non-perforating rust) and damage caused to other parts of the system.

6.7 The Product warranty will only be effective if the Product is installed in the country declared by the Customer at the time of purchase. In any case, the warranty is not valid for Products that have been introduced into the countries of the United States of America and Canada for any reason.
